IV PURPOSE OF THE FORUM

The Forum is enabled with the sole purpose of facilitating the communication between shareholders and voluntary associations that have been validly constituted (individuals, both natural and legal persons, and the voluntary associations that may be constituted) on occasion of the announcement of the general shareholders meeting and until it is held, where applicable.

By virtue thereof, Registered Users may submit communications, to be published in the Forum, which must exclusively deal with the following matters:

- Proposals to supplement the agenda included in the announcement of the General Meeting.
- Requests for support for these proposals.
- Initiatives to achieve a sufficient percentage to exercise the minority rights provided in the law.
- Offers or requests for voluntary proxies.

Nevertheless, the Forum is not an online conversation mechanism between the Company shareholders and voluntary associations validly constituted or an electronic debate forum. Also, the Forum is not a communication channel between the Company and its shareholders and the associations that may be validly constituted.

In any case, no communication made or published through the Forum can be understood to be a notification to the Company for any purpose and, in particular, for the purpose of exercising any rights to which the shareholders, individually or collectively, are entitled; it will not replace the necessary requirements provided in the law, the Company's Articles of Association, the internal regulations of the Company legal or derived from the existing relations, where applicable, between the Company and those shareholders, for the exercise of the rights and powers or the notification of any circumstances. Those rights, powers or notifications must be exercised or carried out through the channels that are legally or contractually established or regulated; therefore, the Forum will not constitute a valid channel for such purposes.

Under no circumstance will the posting of a proposal to supplement the agenda on the Forum mean or imply its acceptance; therefore, it will not amend the announced agenda for the General Shareholders Meeting.

It is noted that, under Articles 15.6 of the Articles of Association and in Article 519 of the Spanish Companies Act, shareholders requesting the publication of a proposed supplement to the call of the General Meeting, including one or more items on the agenda, must represent at least three percent of share capital. The request to publish a supplement to the call cannot be exercised, in any case, with respect to extraordinary general meetings.

This document is a translation of an original text in Spanish. In case of any discrepancy between both texts, the Spanish version will prevail.

This right shall be exercised within five (5) days after the announcement of the call by certified mail to the following address:

Parques Reunidos Servicios Centrales, S.A.
Secretaría General
Paseo de la Castellana, 216, 28046, Madrid, España

Likewise, shareholders representing the aforementioned percentage may, within the term and through the means indicated above, present resolution proposals regarding items already on the agenda or new items to be included on the agenda.

V. Registered Users
